ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI RAJEEV CHANDRASEKHAR)

(a) and (b): Sir, no such proposal is under consideration. However, it is informed that UIDAI has on-boarded Banks as Registrars to provide Aadhaar enrolment & update services to the residents through their branches. As on 30th June 2022, around 11,700 Bank branches are providing Aadhaar enrolment/ update service to the residents.

In addition to the above, around 10,000 Banking Correspondents functioning under CSC e-Governance are providing demographic update service in Aadhaar.
