

GOVERNMENT OF INDIA
MINISTRY OF ELECTRONICS AND INFORMATION TECHNOLOGY
LOK SABHA
UNSTARRED QUESTION No. 4469
TO BE ANSWERED ON: 30.03.2022

TRAINING AND CERTIFICATION UNDER PMGDISHA

4469. COL. RAJYAVARDHAN RATHORE:

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) the details of the participants that have been trained and certified under the Pradhan Mantri Gramin Digital Saksharta Abhiyan (PMGDISHA) as of February 2022, State-wise including district level details for the State of Rajasthan;
- (b) the details of the certifications that have been issued to women and girl child under the scheme, State-wise including district level details for the State of Rajasthan;
- (c) whether the Government looks into any potential scope of employment for certified individuals under the aforesaid scheme and if so, the details thereof and if not, whether any future collaborations with private sector parties is under consideration;
- (d) whether the Government will launch phase two of PMGDISHA after March 2022 and if so, whether it will be based on needs and requirements of the mapping done during the first phase; and
- (e) whether the Government is planning to merge the aforesaid scheme with educational institutions to ensure their online continuity even after the pandemic for the benefit of students from remote and rural areas and if so, the details thereof?

ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI RAJEEV CHANDRASEKHAR)

(a): Skill development and creating skilled talent is an important mission to ensure that the rapidly growing Digital Economy of India is provided with the trained and skilled manpower that is required. To further aid digital adaption, the Ministry has focused on digital literacy for citizens across the country, especially in rural areas. In line with this, the Pradhan Mantri Gramin Digital Saksharta Abhiyan (PMGDISHA) was approved by Union Cabinet in February 2017 to usher in digital literacy in rural India to cover 6 crore rural households (one person per household).

Under the PMGDISHA Scheme, as of 28.02.2022, around 5.66 crore candidates have been enrolled. Around 4.81 crore candidates have completed the training out of which more than 3.54 crore candidates have been certified.

In the state of Rajasthan, as of 28.02.2022, around 30.95 Lakh candidates have been enrolled. Around 26 Lakh candidates have completed the training out of which more than 18.77 Lakh candidates have been certified. The state-wise status including the district-wise details of Rajasthan state, is given as **Annexure-I& II** respectively.

(b): Under the PMGDISHA Scheme as of 28.02.2022, around 1.96 crore women/girls have been certified out of which 9.37 lakh women/girls were certified in the state of Rajasthan. The state-wise status of the certification of women/girls under the PMGDISHA Scheme, including district-level details for the State of Rajasthan, is given at **Annexure-III & IV** respectively.

(c): The main objective of the PMGDISHA Scheme is to impart digital literacy skills to the rural population. A beneficiary may get an opportunity for a job as a result of the digital literacy training however employment generation is not included as an objective of the scheme.

(d): The current PMGDISHA Scheme is under implementation till 31-03-2023 to achieve the envisaged targets. Launch of phase two of the scheme is not being considered at this stage.

(e): The PMGDISHA Scheme covers rural population in the age group of 14-60 years. However, special emphasis is given to enrolling digitally illiterate school students under the scheme. After undergoing the training program, such beneficiaries are empowered to use digital devices for their education in online as well as offline mode. In addition, rural schools are also engaged in training and examination wherever required.

Annexure-I

The state-wise PMGDISHA status as of 28.02.2022:

Sl. No.	State/ UT	Registered	Trained	Certified
1	Andaman and Nicobar Isl.	329	122	55
2	Andhra Pradesh	13,82,478	10,83,823	7,47,344
