

GOVERNMENT OF INDIA  
MINISTRY OF ELECTRONICS AND INFORMATION TECHNOLOGY  
**LOK SABHA**  
**UNSTARRED QUESTION NO. 2441**  
TO BE ANSWERED ON: 15.03.2023

**ELECTRONIC MANUFACTURING COMPANIES**

**2441: SHRI VIJAY KUMAR DUBEY:**  
**SHRI HEMANT TUKARAM GODSE:**  
**SHRI SUNIL DATTATRAY TATKAR:**

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) the total number of Electronics Manufacturing Clusters (EMCs) sanctioned in the country, State/UT-wise including Uttar Pradesh and Maharashtra;
- (b) the details of each cluster sanctioned in terms of investment received, employment generated both direct and indirect, State/UT-wise including Uttar Pradesh and Maharashtra;
- (c) the details of major electronics manufacturing companies that are setting up their units in such clusters;
- (d) the details of manufacturing of electronics in the clusters of the State of Uttar Pradesh and Maharashtra;
- (e) whether the Government has sanctioned new electronics Manufacturing Clusters under modified scheme; and
- (f) if so, the details thereof, State/UT-wise including Uttar Pradesh and Maharashtra?

**ANSWER**

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY  
(SHRI RAJEEV CHANDRASEKHAR)

(a) to (b): Government of India's goal is to make India a significant Electronics System Design and Manufacturing hub as part of its AtmaNirbhar Bharat economic policies. Government of India has taken several strategic steps and initiatives for broadening and deepening the electronics manufacturing ecosystem in the country. Accordingly, Ministry of Electronics and Information Technology (MeitY) notified Electronics Manufacturing Clusters (EMC) Scheme in October, 2012 to provide support for creation of world class infrastructure for attracting investment in Electronics System Design and Manufacturing (ESDM) Sector. The Scheme was closed for receipt of applications from October, 2017. Under the scheme, 19 Greenfield EMCs and 3 Common Facility Centres (CFCs) accorded approval in Fifteen (15) states across the country including state of Uttar Pradesh and Maharashtra. The details of such clusters are placed at **Annexure-I**.

(c) to (d): The details of the electronics manufacturing companies who have shown interest in these EMCs along with their proposed product are placed at **Annexure-II**.

(e) to (f): Under the Modified Electronics Manufacturing Clusters (EMC 2.0) Scheme introduced on 1<sup>st</sup> April, 2020 to provide support for creation of world class infrastructure along with common facilities & amenities including Ready Built Factory Sheds /plug & Play infrastructure for attracting major electronics manufacturers along with their supply chains to set up their manufacturing/production facility in the country through such clusters. The Scheme is open for receipt of application for a period of 3 years i.e., March, 2023 and further period of 5 years is available for disbursement of the funds to the approved projects. Under the EMC 2.0 scheme, 3 applications over an area of 1,337 acres have been approved in three (3) states across the country including the state of Maharashtra. The details of such approved EMCs are placed at **Annexure-III**. Under the EMC 2.0 scheme, no application is received from the state of Uttar Pradesh so far.
