- (d) if so, the details and the finding thereof; and
- (e) if not, the reason therefor ?

ANSWER

MINISTER FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI RAVI SHANKAR PRASAD)

(a): As on 31 May, 2019, there are in total 3,65,918 functional CSCs across the Country while in the state of Bihar total 31,758 CSCs are functional. The details of State/ UT-wise functional CSCs are at **Annexure-I** and the District-wise details of functional CSCs of Bihar are at **Annexure-II**.

(b): The details of work done by CSC in Bihar during each year of the last 3 years is at **Annexure-III**.

(c), (d) and (e): Yes, Sir. A mid-term impact assessment on CSC scheme has been conducted by Indian School of Business, Hyderabad in the year 2018-19. CSCs are network of various service delivery centre to deliver Government-to-Citizen (G2C) and Business-to-Citizen (B2C). Some of the finding are as:

- Central and State Government to encourage and promotion the growth of entrepreneurship, which would result in benefits and prospects of taking up entrepreneurship as a career option.
- Broadband internet access and connectivity to the last mile would enable greater success rates of both existing and aspiring VLEs who want to set up and lead CSC centres across the far-flung areas of the country.
- To provide training to the VLEs about business strategies, notably, marketing, finance, operations, and investments in human capital that facilitate identification of market opportunities and development of sustainable businesses around such opportunities.
- Greater investments in the digital literacy of the citizens would enable them to a

wealth of information and thereby their awareness of various products and services that they can afford and avail.
