ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI RAJEEV CHANDRASEKHAR)

(a) to (c): The Government has launched PMGDISHA Scheme with the vision of transforming India into a digitally empowered society and to create a knowledge-based economy by ensuring digital access, digital inclusion, digital empowerment and bridging the digital divide by targeting rural citizens of India towards improvement of their lives. The various steps taken by the Government to improve digital literacy among the urban and rural areas of the country are given below:

- i. During the years 2014 to 2016, Government of India had implemented two Schemes on providing digital literacy to the masses namely “National Digital Literacy Mission (NDLM)” and “Digital SakshartaAbhiyan (DISHA)” with a cumulative target of 52.50 lakh persons (one person from every eligible household) across the country including rural India. Beneficiaries under the DISHA scheme also included field level government functionaries namely Anganwadi and ASHA workers and Authorised ration dealers in all the states across the country, the States/UTs -wise details(including the State of West Bengal) is given as **Annexure-I**.

Under these two schemes, a total of 53.67 lakh beneficiaries were trained, out of which around 42% candidates were from rural India. Both schemes have been closed now. The State/UT-wise achievement is given as **Annexure-II**.

- ii. In the year 2017, Government launched a Scheme titled "PradhanMantriGramin Digital SakshartaAbhiyan (PMGDISHA)" to usher in digital literacy in rural India with a target to cover 6 crore rural households (one person per household) across the country. The scheme is under implementation and as of now, more than 7.03 crore candidates have been enrolled and

6.06 crore have been trained, out of which 4.51 crore candidates have been duly certified. The year-wise achievements of the Scheme in the last five years are given below:

Year	Registered	Trained	Certified
FY 2017-18	1,17,45,757	87,54,282	58,57,656
FY 2018-19	98,99,995	86,37,923	66,96,562
FY 2019-20	1,43,30,473	1,28,66,347	90,07,394
FY 2020-21	1,08,91,488	97,05,343	73,07,927
FY 2021-22	1,11,73,679	98,41,726	76,13,672
FY 2022-23	1,02,56,353	92,83,042	73,39,079
FY 2023-24 (Till 19.07.23)	20,20,353	15,43,325	13,53,186
Total	7,03,18,098	6,06,31,988	4,51,75,476

The State/UT-wise achievement details (including the State of West Bengal) under the PMGDISHA scheme is given as **Annexure-III**.

(d): The following measures are taken up for achieving the targets under the PMGDISHA scheme:

- Efforts have been made to identify and register new Training centers in uncovered Gram Panchayats across the country.
- In order to address the low internet connectivity issues, Wifi-choupals have been established at remote locations.
- Some rural schools have been engaged for training and examination of candidates in order to penetrate the rural populous districts of identified states.
- Scaling up the awareness and promotional activities towards Digital literacy through campaigns, workshops, seminars, digital vans, etc.
- The training content is made available in 22 scheduled languages and English. This content is made available on both online and offline mode.

(e) and (f): Under BharatNet project broadband connectivity is being provided to all the Gram Panchayats (GPs) and villages in the country.

As on 30.06.2023, 1,94,909 GPs have been made Service Ready under the BharatNet project in the country. In West Bengal, as on 30.06.2023, 2604 GPs have been made Service Ready under the BharatNet project.
