ANSWER

MINISTER FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI RAVI SHANKAR PRASAD)

(a): Video conferencing facility is available at district headquarters & State Capitals in all States/UTs across the country including Gujarat for use by Government Department/officials.

(b) and (c): Yes, Sir. The facility enables realtime and close monitoring of activities at district and State levels. This leads to improvement in service delivery and efficiency in administration & programme implementation across the districts in the country. The benefit from this is derived by the people in all parts of the country including those in remote and backward areas, by way of improved administration and better delivery of services.

(d): The video conferencing facility is available in all States and UTs.
