

GOVERNMENT OF INDIA
MINISTRY OF ELECTRONICS AND INFORMATION TECHNOLOGY
LOK SABHA
UNSTARRED QUESTION NO. 2505
TO BE ANSWERED ON: 15.03.2023

IT HUBS

2505. SHRI SAUMITRA KHAN:
SHRI JANARDAN SINGH SIGRIWAL:

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) whether the Government proposes to develop Information Technology (IT) Hubs in small cities in the country particularly in West Bengal and Bihar, if so, the details thereof;
- (b) whether the Government proposes to give an impetus to Foreign Direct Investment (FDI) in this regard and if so, the details thereof; and
- (c) the steps taken by the Government in this direction so far?

ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI RAJEEV CHANDRASEKHAR)

(a): Yes, Sir. Government of India (GoI) has taken various initiatives to promote Information Technology (IT)/ IT enabled Services (ITeS) industry across the country including small cities. Software Technology Parks of India (STPI), an autonomous society under Ministry of Electronics and Information Technology (MeitY), is instrumental in taking digital technologies across the country to drive the Government's initiatives to the smaller towns. Till date, 63 STPI centres have been set-up across the country including 5 centres in West Bengal at Durgapur, Haldia, Kharagpur, Kolkata and Siliguri; and 1 in Bihar at Patna. Additionally, Government of India has also approved 22 new STPI centres across the country including 2 centres in Bihar at Bhagalpur and Darbhanga. State/UT-wise list of existing and approved STPI Centres are at **Annexure-I and II**.

(b): Yes, Sir. It has been endeavour of the GoI to put in place a liberal and transparent policy for attracting Foreign Direct Investment (FDI), wherein most of the sectors are open to FDI under the automatic route. As per extant Foreign Direct Investment (FDI) policy, 100% FDI is allowed in IT sector under automatic route (except the land border sharing country with India) subject to applicable laws/ regulations; security and other conditions. A total of Rs. 3,56,303/- Crore FDI has been committed in Computer Software and Hardware during FY 2019-2022 and Rs. 63,819 Crores in the current FY 2022-2023 (till Dec, 2022).

(c): GoI is implementing Software Technology parks of India (STP) Scheme through STPI, which is a 100% export-oriented Scheme for the development and export of computer software, including export of professional services using communication links or physical media. The export by STPI registered IT/ ITeS Units is increasing on Y-o-Y basis and is stands at \$ 80.3 Billion in the FY 2021-22.

Further, National Policy on Software Products (NPSP) - 2019 has been notified by the Government to promote software product ecosystem in the country. In accordance with NPSP, Government has approved the Next Generation Incubation Scheme (NGIS) with a budgetary outlay of Rs. 95.03 crore to extend incubation facilities to tech start-ups in 12 STPI centres located in small cities including one incubation facility in Bihar at Patna.

GoI had also launched India BPO Promotion Scheme (IBPS) & North East BPO Promotion Scheme (NEBPS) under Digital India Program with the aim to create employment opportunities and dispersal of IT/ITeS industry in small cities/towns by incentivize setting up of BPO/ITeS operations. The duration of IBPS and NEBPS was up to 31.03.2019 & 31.03.2020 respectively to invite new bids, however disbursements may continue beyond this period. Under these schemes 246 units have set up BPO/ITeS operations across 27 States/UTs of the country providing direct employment to 52065 persons.

Further, GoI has announced GENESIS (Gen-Next Support for Innovative Startups) to discover, support, grow and make successful startups in small cities with emphasis on collaborative engagement among startups, government and corporates for promoting digitization based on the principals of inclusivity, accessibility, affordability, leading to growth in employment and economic outputs.

State-wise list of existing STPI Centres

S. No	State	Centre Name
1.	Andhra Pradesh	Kakinada
2.		Tirupati
3.		Vijayawada
4.		Vizag
5.	Assam	Guwahati
