**ANSWER**

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY  
(SHRI RAJEEV CHANDRASEKHAR)

(a) to (d): Under the Indian Telegraph Act, State Government Authorities have the power of suspends telecom services including Internet in the event of public emergency or public safety. Concerned State Governments issue orders for temporary suspension of internet service to maintain law and order in the State or part thereof under the provisions contained in the Temporary Suspension of Telecom Services (Public Emergency or Public Safety) Rules 2017. Centralized data of number of Internet shutdowns is not maintained by Government of India. There is no report available with the Government that assess the economic loss incurred due to Internet shutdowns.
