GOVERNMENT OF INDIA MINISTRY OF ELECTRONICS AND INFORMATION TECHNOLOGY RAJYA SABHA

UNSTARRED QUESTION NO.2752

TO BE ANSWERED ON: 12.12.2019

DEVELOPMENT OF SUPER COMPUTER

2752 SHRI A. VIJAYKUMAR:

Will the Minister of Electronics & Information Technology be pleased to state:

- (a) whether Government has developed super computer in the country at par with other countries;
- (b) if so, the details thereof;
- (c) whether Government would take steps to recruit talented students on premium salary as recruited by other international recruiters;
- (d) if so, the details thereof; and
- (e) if not, the reasons therefor?

ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY (SHRI SANJAY DHOTRE)

- (a) and (b): Under National Supercomputing Mission (NSM), Government is building Supercomputing systems of various capacities at par with other countries for various academic and research institutes across the country. Three systems have already been installed at IIT (BHU) Varanasi, IIT Kharagpur and IISER, Pune by Centre for development of advanced computing (C-DAC).
- (c), (d) and (e): Government will hire professionals in addition to utilizing existing experts of the participating organizations.
