#### **ANSWER**

## MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY (SHRI SANJAY DHOTRE)

- (a) and(b): Government of India had approved a scheme titled "Pradhan Mantri Gramin Digital Saksharta Abhiyan (PMGDISHA)" to usher in digital literacy in rural India by covering 6 crore rural households (one person per household) in February 2017. Under the PMGDISHA Scheme, as on 12.03.2021, around 4.54 Crore candidates have been enrolled and around 3.69 Crore candidates have completed the training out of which more than 2.71 Crore candidates have been certified. The state/ UT wise targets and status is at **Annexure**.
- (c): The implementation of the Scheme is carried out through CSC e-Governance Services India Private Limited (CSC-SPV) through training centres/Common Service Centres(CSCs) located at the Gram Panchayat level. All the authorised training centres/CSCs can register and train candidates from specified area of Gram Panchayat across the country as per the prescribed eligibility criteria. To ensure equitable geographical reach, each of the 2,50,000 Gram Panchayats across the country are envisaged to register an average of 200-300 candidates.
- (d): In the state of Odisha, against the stipulated target of 25,17,000, as on 12.03.2021, a total of 24,80,401 candidates have been enrolled and 19,57,129 have been trained, out of which 14,70,629 candidates have been duly certified.

In the state of Rajasthan, against the stipulated target of 37,12,000, as on 12.03.2021, a total of 22,46,741 candidates have been enrolled and 17,73,993 have been trained, out of which 13,00,509 candidates have been duly certified.

Since March 2020, the COVID-19 pandemic resulted in widespread impact on the implementation of PMGDISHA scheme across the country including the states of Odisha and Rajasthan. Due to COVID-19 and ensuing Lockdowns imposed by Central /State Governments, the training centres had to be kept closed for around six months. After the easing of lockdown restrictions in September 2020, the enrolment, training and certification activities have been opened up in a phased manner while following the social distancing norms. Now the Scheme implementation has picked up across the country including in the states of Odisha and Rajasthan. After the onset of pandemic, a total of 90,14,374 candidates have been registered, 65,34,990 candidates have been trained, out of which 55,85,613 candidates have been duly certified across the country. Since the onset of pandemic, in the state of Odisha, 3,02,217

candidates have been registered, 1,89,796 candidates trained and 2,09,531 candidates certified and in the State of Rajasthan, 4,07,541 candidates have been registered, 2,83,577 candidates trained and 2,20,993 candidates certified.

- (e). Regular workshops and training sessions for various stakeholders engaged in implementation of the Scheme have been organized in various states/ UTs since the inception of the PMGDISHA scheme. Since March 2020, such workshops have been organized virtually due to the pandemic situation. A total of 302, 126 and 123 state/district level workshops have been organised in the states of Uttar Pradesh, Odisha and Rajasthan respectively.
- (f). Special focus of the PMGDISHA Scheme is on training the beneficiaries on use of Electronic Payment System. The outcome measurement criteria include undertaking at least 5 electronic payments transactions by each beneficiary using UPI (including BHIM app), USSD, PoS, AEPS, Cards, Internet Banking. This increases the confidence level of the beneficiaries to carry out digital transactions. The 3<sup>rd</sup> party assessment of PMGDISHA scheme conducted by Indian Institute of Public Administration (IIPA), New Delhi, indicates that over 70.5% of the respondents have mentioned using the digital means for various financial services like banking, digital payments, etc.
