ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI RAJEEV CHANDRASEKHAR)

(a): Government has a Cyber Crisis Management Plan (CCMP) for countering cyber attacks and cyber terrorism for implementation by all Ministries/ Departments of Central Government, State Governments and their organizations and critical sectors. In addition, guideline templates have been circulated to assist development and implementation of state/sectoral Cyber Crisis Management Plans.

National Critical Information Infrastructure Protection Centre (NCIIPC) assists implementation of Cyber Crisis Management Plan (CCMP) in respect of Critical Information Infrastructure (CII) / Protected System (PS).

(b):   Cyber Crisis Management Plan (CCMP) has dedicated chapters on nature of cyber crisis and contingencies, cyber security threat landscape, cyber attacks ranging from web application attacks to advanced targeted attacks and response measures.

(c): The stakeholders include all Ministries/ Departments of Central Government, State Governments and their organizations and critical sectors.

(d): The required physical and digital infrastructure is present and necessary augmentation of the same is taken up as per the security requirements from time to time.

(e) and (f): Government is regularly conducting Cyber Crisis Management Plan (CCMP) workshops for Ministries, Departments, States & UTs and organizations to sensitise them about the cyber security threat landscape and enable them to prepare and implement the Cyber Crisis Management Plan (CCMP). Year-wise details of CCMP workshops conducted during last 3 years are given below:

	2018	2019	2020	Total in last 3 years	2021(Till July)
